The next General Assembly of Collegio A Volta will take place on Monday the 3rd of October. New students (freshers) are expected to attend the Assembly, students from previous years are welcome to attend as there are no Covid restrictions in place at the present time.

After the serious disruption of work that College suffered in 2020/21, University lectures and exams returned to a quasi normal pattern in 2021/22 although the majority of College courses continued to be offered online.

The forthcoming assembly will focus on the academic results of 2021/22 and several major developments in College teaching involving new Courses and Tutorials under a new and broad University initiative known as **Università nei Collegi**.
