

Junior Tutors (2014/15)

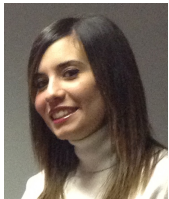

Starting from 2014/15 Junior Tutors will play an important role in ensuring that young College undergraduates will achieve their grades. The main roles of junior tutors will be to: (i) ensure attendance at the meetings of the freshers with their Director of Studies, (ii) ensure submission of the study plans by November 7th or shortly after in those cases in which the students awaits approval, (iii) ensure attendance of the College supervisions offered by Senior Tutors in selected subjects, (iv) meet freshers regularly (at least fortnightly in semester 1) and discuss/propose study aids and a revision/examination schedule that will result in the majority - or at the very least half of the credits - required for EdISU bursaries and confirmation of College placements by the end of semester 1, (v) ensure that the examination dates and marks of semester 1 are submitted to College by 6th March 2015.
