

# Collegio A Volta

## Universita' di Pavia

Although some categories of students, ie PhD students, medical postgraduates and post-doctoral fellows may apply directly to College, undergraduate and MSc students apply via [EDiSU](#), through a dedicated [page](#). The application procedure, however, is challenging and this brief questionnaire seeks to obtain essential data from foreign students interested in a placement at Collegio Volta, in order for College to provide as much support as possible in the procedure.
