# The financial crisis

The financial crisis that hit the world in 2008 has impacted dramatically on the cost of food, employment, especially youth's, welfare, education and health. Yet, neither the causes of the crisis or the way out are clear to the majority of people.

In the third talk of the Volta series R Tamborini addresses the impact of fiscal austerity on both sides of the Atlantic in the aftermath of the crisis.

R Tamborini,  
Università' di Trento

Transatlantic austerity  
2010-13.  
A comparative analysis.

17 November  
2014  
at 6.00 pm
